Electives (4 semesters)

<b>Education &amp; Career Action Plan (ECAP)</b>
All students will create an ECAP portfolio on AZCIS.com throughout middle school to explore their academic strengths, personal interests and goals. Students are guided in connecting potential careers to their strengths and interests. At this time, please have your child list their top career choices in the space below.
My top career choice right now is:
1. _____

Students have the choice of selecting electives to fill 4 semesters. Please notice that some electives are full year electives (which would fill 2 semesters). From the list below, ***please select 6 electives and order them 1-6 by preference***, with 1 being the most desired choice. NB strives to provide students with their top class choices, however alternate choices may be used due to scheduling constraints and student interests. Please note, each elective does have a fee.

Payments for fees will be collected at the beginning of the 2020-2021 school year via online portal.
